2014 Limited Release Mount Veeder Cabernet Sauvignon

TASTING NOTE:

The 2014 Mount Veeder Cabernet Sauvignon has alluring aromas of fresh blueberry, violet, chai and white pepper. Flavors of red currant, Mexican cocoa powder and blood orange zest are followed by poised tannins leading into a mouthwatering red fruit finish.

VINTAGE/APPELLATION NOTE:

The Mt. Veeder AVA is one of Napa Valley's mountain AVAs, with some vineyards planted over 2,000 feet elevation. Mt. Veeder is a cooler climate mountain region, heavily influenced by cool bay breezes and fog. Wines from Mt. Veeder typically show refined elegance and age gracefully. Violet aromas are a signature characteristic of Cabernet Sauvignon sourced from Mt. Veeder.

PAIRING:

Pair the 2014 Mount Veeder Cabernet Sauvignon with grilled lamb chops marinated with garlic and fresh herbs. Strong and firm cow milk cheeses will pair best with our 2014 Mount Veeder Cabernet Sauvignon.
