

2013 TRANSCENDENT

TASTING NOTE:

Our 2013 Transcendent Cabernet Sauvignon is a wine of true depth and sophistication. It exhibits pronounced aromas of tobacco, black currant and violet. Flavors of mocha, cassis and allspice intermingle perfectly on the palate. The 2013 Transcendent is a full-bodied wine with the perfect oak to fruit balance, elegant tannins and a long rich finish.

APPELLATION NOTE:

Cabernet Sauvignon from the higher altitude mountain AVAs brings an incredible complexity and elegance to the palate. Atlas Peak has rocky, volcanic soil which allows the grapevines to focus on producing concentrated and flavorful grapes. The grapes sourced from Diamond Mountain's volcanic soil results in fruit with great structure, texture and black fruit flavors. Howell Mountain has soils that are lean which naturally limits the vigor of the grapevines, concentrating the flavors and contributing to the intensity of the grapes. Mt. Veeder Cabernet adds an ethereal violet note to the blend that lifts and elevates the rich and ripe aromas.

VARIETAL BLEND: 100% Cabernet Sauvignon

APPELLATION: 41% Atlas Peak, 41% Diamond Mtn.,
15% Howell Mtn. and 3% Mount Veeder

AGING: 67% new French oak / 26 months

ALCOHOL: 15.5 | TA: 0.59g/100ml | PH: 3.7
