

NAPA VALLEY
— — — — —
BUCEPHALUS™
RED WINE BLEND
2019

WINEMAKER'S NOTES

The 2019 Bucephalus was crafted using some of the best grapes found in the Napa Valley. Most of fruit for the 2019 Bucephalus was harvested from Atlas Peak and Diamond Mountain. The mountain AVAs are the ideal growing environment for producing fruit with huge concentration and immense depth. We blended a small portion of Syrah, Petit Verdot & Malbec into the Bucephalus to help knit the blend together. The Syrah brings a rich elixir quality to the wine. Together, these vineyard blocks create a powerful and well-structured wine.

TASTING NOTES

The 2019 Bucephalus showcases aromas of cassis, sandalwood and clove. The aromas integrate beautifully with the rich, ripe, fruit flavors of blackberry and dark cherry, and maple syrup. This full bodied wine has intense depth and broad rich flavors.
