ESTATE WINERY

## *2021 Limited Release Poseidon Vineyard Chardonnay*

### TASTING NOTES:

Our 2021 Limited Release Poseidon Vineyard Chardonnay is a light/medium bodied white wine with silky texture followed by juicy long finish. Delightful aromas of Meyer lemon zest, apple blossom, crème brulee and candied ginger followed by flavors of white nectarine, lemon meringue and lightly toasted marshmallow.

### WINEMAKER'S NOTES:

Los Carneros is one of Napa Valley's coolest growing regions that has marine influences of both morning fog and afternoon wind originating from the San Pablo Bay. These climatic conditions work to synergistically moderate temperature. Our Chardonnay vineyard sites in Los Carneros enjoy a long cool, growing season that allow for exceptional varietal expression to develop along with ripe fruit characteristics, fantastic balance and finesse.
