2021 Limited Release Calistoga Tempranillo

TASTING NOTES:

The 2021 Limited Release Calistoga Tempranillo begins with aromas of purple prickly pear, dark bramble fruit, pomegranate, black plum, vanilla, baking spice, and wild game meat. On the palate, this full-bodied wine exhibits dusty tannins, with a long finish.

WINEMAKER'S NOTE:

The fruit for our 2021 Limited Release Calistoga Tempranillo comes from a small dry-farmed block of trellised vines located in Calistoga; perfectly suited for growing this Iberian varietal. It is managed by the Arroyo family, of Spanish familial origins.
